Re: Request for Certificate of Correction

Consideration has been given your request for the issuance of a certificate of correction for the above-identified patent.

Respecting the alleged error in column 15, claim 36, line 31, in regard to the proposed change, there is no support in the disclosure for the bearing member comprising a clamp. The clamp is disclosed as a separate element from the bearing member.

In view of the foregoing, your request in this matter is hereby denied.

A certificate of correction will issue for the remaining error noted in your request.
